The London Company Named a “Top Guns” Investment Manager of the Decade for the Large Cap Core Product

Richmond, VA – February 22, 2010 – The London Company has been named a “Top Guns” manager of the decade for their Large Cap Core product by Informa Investment Solutions, one of the top investment database firms in the nation.

In order to be selected as a manager of the decade, a firm’s product must outperform the style benchmark for the latest ten year period. The requirements are that the product must have an R-Squared of 0.80 or greater relative to the benchmark, returns must be greater than the benchmark, and the standard deviation must be less than the benchmark.

Please visit the company’s website at www.tlcadvisory.com or call 804-775-0317 for more information about The London Company.
